You are hiring an aluminium boat with an 8HP motor that travels at less than 10 knots. You are not required to have a boat license to operate this vessel; however, you must comply with the following:

1. All passengers and the driver must remain entirely within the vessel while underway.
  - a. The vessel is not to be taken outside the areas indicated on the attached map.
  - b. While underway you will take care to avoid other craft and will give way to sailing vessels.
  - c. Navigation instructions are attached to your boat. Please follow these directives.
  - d. Do not attempt to 'raft up' with other craft.
  - e. Children under 12 MUST wear a lift jacket at all time.
  - f. Any person in the boat alone MUST wear a lift jacket.
  - g. No smoking on vessels.
2. The motor is the only mechanical device on the boat that requires your attention.
  - a. The motor is operated by pulling on the start cable with the engine in neutral.
  - b. Forward and reverse gears power the vessel when underway.
  - c. The motor will not start when in gear.
  - d. To stop the motor, push the round button on the engine face.
  - e. In the event of emergency, the motor can be stopped by pulling the safety lanyard from the motor (as shown by staff).
  - f. Unleaded fuel is supplied with the vessel and there is more than enough fuel for one days motoring.
  - g. If for some reason the fuel does not appear to be getting to the motor, check the fuel lines to see if they are properly connected.
  - h. Fuel may need to be pumped through the line using the hand valve on the fuel line.
  - i. Oars/paddles are supplied for manual operation and an anchor is stored in the bow of the vessel.
3. There are life jackets provided for all on board.
  - a. They are stored in the bow of the boat.

- b. in the event they are needed, pass the jacket over your head and fasten by clicking the tab on the front of the jacket.
  - c. Pull to make firm around your waist.
  - d. Remember children under 12 must always wear a life jacket while aboard the vessel.
4. A torch is supplied
  5. A bailing bucket is in the boat.
  6. A map of the safe operating area is provided.
    - a. Do not take the boat outside the areas marked.
    - b. The contact number for Yamba Marina is clearly marked on the map. (66469898)

By signing this statement, you acknowledge you fully understand the instructions herein and those given to you verbally. You also acknowledge you are fit and able to operate the vessel in a safe and responsible way.

*I, the undersigned fully understand the limits, restrictions and conditions as pointed out to me regarding the operation of this hire vessel and indemnify Yamba Marina Pty Limited (ABN 12 107 291 609) trading as Yamba Marina against any claim whatsoever. I also acknowledge that I may be liable for any damage to the hire boat and/or its motor caused by my actions. Specifically, I understand that the loss or damage of an anchor, bucket, oar, or torch will result in a minimum \$50.00 charge per item. Any severe damage to the boat, its motor, or the sunshade may result in an additional, higher charge.*
